

WORK LIGHT – #681100

- 1.1 Bracket with integrated magnet, can be attached to any magnetic surface.
- 1.2 Built-in power bank with USB outlet to charge mobile devices.
- 1.3 The bracket can rotate to multiple angles making it easy to adjust the lighting angle
- 1.4 Handle and stand make it easy to carry and position.

Data

Battery	3.7V 4400mah Li-ion battery
LED	COB LED
Light beam	COB LED 120°
CCT	6000-7000K
Ra	>80 Ra
Charging time	6h
Charging port	Mini DC
Function	Low---high--- off
Power indicator	Blue LEDs flash when charging, and all blue LEDs on when fully charged

	COB	
	Low	High
Luminous flux	350 lm	1100 lm
Light range m	25	50
Operation time h	6	3

Size	189.5*164.5*45.5 mm
Material	Aluminum, Rubber
Temperature range	-10 to +40°
Weight	725g
